

PROTECT YOUR CUSTOMERS

Provide Peace of Mind with the Nationwide Road Hazard Plan.

Federated

The Federated Car Care Nationwide Road Hazard Plan is designed to offer real value to your customer and to you as a tire retailer. The concept is simple – you offer your customer coverage for road hazard damage, which isn't covered by any tire manufacturer's warranty. By doing so, you create a new line of revenue from the profit made on road hazard plan sales, as well as from the fulfillment of claims incurred under the plan (we pay you for repairs and replacements).

How the Nationwide Road Hazard Plan Works

- **No Up-Front Investment**
You pay after you sell. The Administrator sends you a detailed report and invoice once a month.
- **The Largest Nationwide Network**
More than 35,000 locations nationwide honor the plan.
- **Fastest Claim Payment**
Most claims are paid the same day.
- **Convenient Online Plan Registration & Claim Filing**
- **Free Tire Replacement**
For the first 33% (one third) of useable tread, prorated thereafter.
- **Free Flat Repair**
For the life of the tire or plan, whichever comes first (up to \$20 per repair).
- **Flat Tire Changing Reimbursement Nationwide**
- **Nationwide Coverage**
Thousands of dealers in all 50 states. We cover tires at home and away.
