

REDCAP

MODERN EXPERIENCES FOR OUT OF STORE AND IN STORE CUSTOMERS

SHUTTLE ONDEMAND

Replace your shuttle with a powerful solution that requires no assets or personnel that delivers an on-demand, service center branded customer experience.

SHUTTLE ONDEMAND

Shuttle OnDemand replaces your existing personnel, vehicles and insurance with an on-demand, asset free solution.

REDUCE LIABILITY

Give your customers an option to carry on with their day without a loaner, freeing up the availability of the fleet

IMPROVE EXPERIENCE

Modernize your customer experience and easily coordinate pickups and drop-offs for any service customer.

ATTRIBUTION

AUTOMATICALLY TRACK TO REPAIR ORDERS

Easily understand the true profitability of each customer with incidental expenses connected back to the RO. Use this information to offer additional Lyft credits when appropriate or send them in a nicer vehicle.
