## SCHOLARSHIP OPPORTUNITIES

Thinking about an automotive career? Aftermarket career? Good choice!

Servicing or supplying parts for vehicle maintenance and repair can be a rewarding career. An automotive scholarship can help pave the way.

Scholarships are available for full time students in the U.S. and Canada attending a four-year or two-year college or university and those studying automotive, heavy duty or collision repair in an ASE/NATEF certified post-secondary program.

**HUNDREDS OF SCHOLARSHIPS AWARDED ANNUALLY**

Healthcare Practitioner, 7.2M; Federal Government, 5.1M, Architecture & Engineering 2.4M; Arts, Design, Entertainment, Sports & Media 1.7M, Legal Occupations 1.0M

**3RD LARGEST  
PROFESSIONAL INDUSTRY  
AND GROWING**

## A CAREER IN THE AUTO CARE INDUSTRY

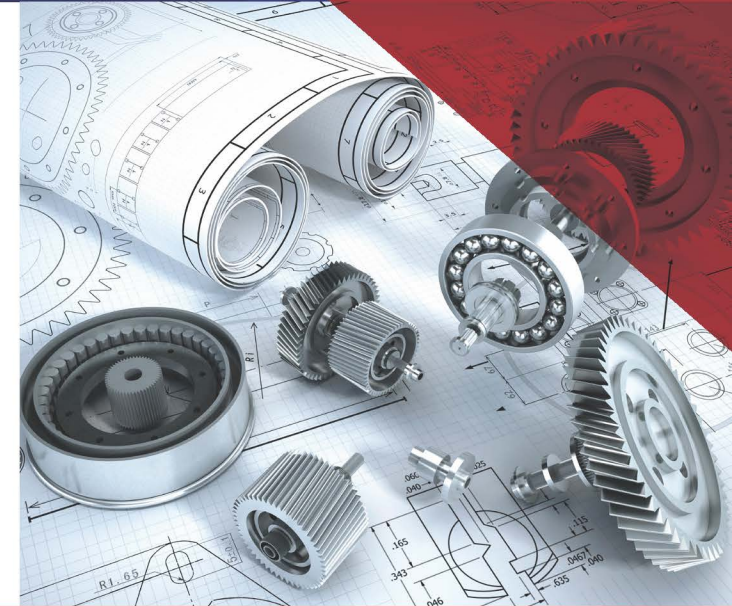

The auto care industry has one mission: protecting the choice, safety and mobility of every driver out there.

Our industry is constantly looking for talented and energetic individuals like you to explore the opportunities our industry has to offer. Whatever your skills or background, the auto care industry's incredible diversity means there's a rewarding job for you.

From the shop floor to the corporate office, careers in the auto care industry offer competitive salaries and a wide range of opportunities to hone and grow your skills.

Come join us in creating a safer and more independent future for drivers everywhere.

The Automotive Aftermarket focuses on the intangibles – your passion, drive, and willingness to learn a new industry far outweigh your ability to change your own oil.
